May 1983

Fellow Alabama Woodworkers Guild Members:

The Newsletter Committee apologizes for being late with the newsletter and notice of the next meeting. The newsletter will be printed and distributed at our next meeting.

NEXT MEETING - The Alabama Woodworkers Guild will meet at Pelham High School on Thursday, May 12th at 7:00 p.m.

The speaker for the evening will be Mr. Stacy Davis, representative of Rockwell International. We understand his program will be most interesting, instructive, and educational. There is a possibility that part of the program will be a slide presentation.

Truely, this will be a meeting you will not want to miss! Make plans to be there.
